

Our Mission

CIL volunteers helped build this wheelchair ramp.

The Center for Independent Living in Central Florida, in partnership with the community, promotes personal rights and responsibilities among people with all disabilities and strives to eliminate architectural, communication, and attitudinal barriers by providing education, resources, and training to enhance self-determination through informed choice.

WHAT IS RAMPAGE?

Rampage! is CIL's signature special event. Held annually, Rampage! brings together volunteers and CIL staff to build wheelchair ramps for those who are unable to get into and out of their homes.

This year we're going "western" to build a **STAMPEDE** of excitement for Rampage!

In 2006, Rampage! provided four wheelchair ramps for recipients in Seminole, Osceola, and Polk counties. Rampage! been growing every year since 2005 and this year will be the most ambitious yet!

In November we'll be building five ramps for recipients across Central Florida and we'll need to raise \$15,000, pardner.

GET INVOLVED!

WANTED—Donors

CIL is looking for those who can make a financial donation to help us buy lumber and other building materials. If you run a business and would like to donate materials, please call us and let us know what you have to offer. Call CIL at 407-623-1070 or visit www.cilorlando.org/donate/

Only 0.9% of homes currently have a wheelchair ramp. Yet, 29.2% of US families include at least one member with a disability.

WANTED—Volunteers

Help us build ramps. Not sure how to do it? No problem! We'll show you how. If you have construction experience, that's great. You can be a Ramp Captain and show others how it's done.

Do You Need a Ramp?

If you need a wheelchair ramp call us. We keep a list of those who need a ramp and as time and money permits we get the job done.

Spread the Word

If you can't donate or volunteer you can still help buy telling your friends and neighbors about Rampage!

ABOUT CIL

Since 1979 the Center for Independent Living in Central Florida has been fighting for the rights of people with disabilities to live independent lives. The philosophy of independent living includes the values of choice and equal access.
